

South Houston Internal Medicine, LLC

Welcome to our Practice!

Thank you for choosing us to be your healthcare providers. We view this as a partnership in an ongoing effort to keep you as healthy as possible. We are committed to rendering the best medical care. In return, we expect you to be a partner and maintain a healthy lifestyle.

A physician as well as nurse practitioners will be providing care in this practice. It is expected that you will be seeing either one during any of your visits. Having different perspectives does enhance the level of your care.

We do encourage a health maintenance program including a complete physical exam done annually. An annual wellness visit is also encouraged if you are a Medicare Part B beneficiary. All copays for the annual physical examination will be waived regardless of your insurance coverage.

Sincerely,

Joseph Stephen Lomboy, MD
